--------------------	--	-------

= Tax you must pay (underpaid tax) *		28,704
---	--	---------------

** The calculation is provisional. You will receive the final calculation in your tax assessment.*

If you are married, a registered partner or a spouse-equivalent cohabiting partner, your tax calculation may be affected by changes made by your spouse, partner or cohabitant in his/her tax return.

Pay by 31 May to avoid interest on the underpaid tax. You must deduct the interest from "Tax you must pay (underpaid tax)".

According to our preliminary calculations, you have underpaid tax.

Would you like to pay the underpaid tax now? Use:

- Account number: 7694 05 24802
- KID number: 5205892236642220014

Remember that you must submit the tax return if you make any changes and that you can submit the tax return several times.
